Dear Member

Re: New Government Covid-19 Roadmap Taskforce

Please find below an update from PLMR to advise that the Government has announced the creation of five “**COVID-19 roadmap taskforces**” to support the development of guidelines to reopen businesses and public places that are currently closed.

This includes a **Recreation and leisure taskforce led by DCMS, the contact for which is: recreation-COVID19@culture.gov.uk**

The taskforce will be Chaired by Oliver Dowden and involve Public Health England and the Health and Safety Executive, they will also correspond with Trade Unions and other sector experts.

The role of the taskforce will be:

- ensure that COVID-19 secure guidelines are developed in line with the phasing ambitions and public health directions, building on the existing (work settings) guidance and providing intelligence and sector-specific expert input
- agree and ensure alignment of all relevant sectoral guidance
- provide key sector stakeholders direct access to ministers

Yours faithfully
